Cronos Labs does not make any representations or warranties about this third-party content visible through the Services, including any content associated with NFTs displayed on the Minted NFT Platform, and you bear responsibility for verifying the legitimacy, authenticity, quality, origin and legality of NFTs that you purchase from third-party sellers. We also cannot guarantee that any NFTs visible on the Minted NFT Platform will always remain visible and/or available to be bought, sold, or transferred.

You understand and agree that you are responsible for any User Content you submit or contribute, and you, and not Cronos Labs, have full responsibility for such content, including its legality, reliability, accuracy, and appropriateness. We are not responsible or liable to any third party for the content, accuracy, or appropriateness of any User Content posted by you or any other user on the Site. We do not control or endorse the content, messages or information found in any User Content and Cronos Labs specifically disclaims any liability with regards to the Minted NFT Platform and any actions resulting from any User’s participation in the Minted NFT Platform.

Any information you post on the Site as a Creator will be considered non-confidential. By providing any User Content on the Site, you grant us and our affiliates and our respective licensees, successors, and assignees the right to use, reproduce, modify, perform, display, distribute, retransmit, publish, broadcast, and otherwise disclose to third parties any such material for any purpose. You represent and warrant that (1) you own and control all rights in and to your User Content and have the right to grant such licenses to us and our affiliates and our respective licensees, successors, and assignees; and (2) all of your User Content does and will comply with these Terms. You also agree that you will not infringe on the intellectual property of others and will not coordinate pricing of any NFTs with other Creators.

If you are a Creator, you hereby grant Cronos the right to use your name and image for marketing or promotional purposes and agree that we may use or modify images from the NFTs that you create for marketing or promotional purposes. You also agree that we can use your biography and other public information about you to promote the NFTs that you create. You further agree that you will not infringe on the intellectual property of others and will not coordinate pricing of any NFTs with other Creators.

We have the right, but not the obligation, to monitor and analyse the use of the User Content and/or the Minted NFT Platform to determine compliance with these Terms and any operating rules established by Cronos Labs and to satisfy any law, regulation or authorised government request. We reserve the right, in our absolute sole discretion, to edit, refuse to post or remove any User Content, NFT, Collectible or any other material submitted to or posted through the Site or cease any Auction on the Site at any time and for any reason without notice.

9. Intellectual Property Rights

Unless otherwise indicated by us, and except to the extent of the User Content, the Site, all content and other materials contained therein, including, without limitation, the Cronos Labs logo, and all designs, text graphics, pictures, information, data, software, and files relating to the Minted NFT

Platform (the “**Content**”) are the proprietary property of Cronos Labs or our affiliates, licensors, or users, as applicable. All rights reserved.

The Cronos Labs logo and any Minted NFT Platform product or service names, logos, or slogans that may appear on the Site or elsewhere are the proprietary property of Cronos Labs and may not be copied, imitated or used, in whole or in part, without our prior written permission.

Unless otherwise stated, you may not use any Content without our express written permission. We reserve the right to suspend or terminate any Account that has actually or allegedly infringed upon any person’s intellectual property rights.

Apart from the Content, all other copyrights, trademarks, product names, and logos on the Site relating to and including the NFTs and User Content, are the property of their respective owners and may not be copied, imitated, or used, in whole or in part, without the permission of the applicable intellectual property right owner.

10. Your Ownership of the NFT

When you buy an NFT on the Minted NFT Platform, you own the underlying NFT and have the right to sell or give away the NFT. If the NFT is associated with a Collectible, unless otherwise stated in the terms of sale of the applicable NFT, you will have a worldwide, perpetual, exclusive, transferable, royalty-free licence to use and display the Collectible for your NFT, for so long as you own the NFT, solely for the following purposes: (a) for your own personal, non-commercial use; (b) as part of the Minted NFT Platform that permits the purchase, sale and display of your NFT; (c) as part of a third party website or application that permits the inclusion, involvement, storage, or participation of your NFT.

NFTs or other materials uploaded to the Minted NFT Platform may be subject to limitations on usage, reproduction and/or dissemination; you are responsible for adhering to such limitations if you acquire an NFT.

If you are the first purchaser of an NFT, depending on the terms of sale of that NFT, the Creator may provide you with a digital or physical item upon the Creator’s receipt of your written request and proof of satisfaction of the Creator’s terms, including, but not limited to, evidence that you are the first buyer of the NFT (“**Redeemable**”). Any Redeemable is provided by the Creator directly to the relevant eligible NFT owner, and the Redeemable (including, but not limited to, its delivery, correspondence to its description, and condition or quality) is the sole and exclusive responsibility of the Creator. Cronos Labs shall have no liability whatsoever with respect to the Redeemable (including, but not limited to, its delivery, correspondence to its description, and condition or quality). Any notices or questions regarding the Redeemable should be sent to the Creator directly, through contact details as may be provided at the relevant time of purchasing the qualifying NFT.

The Creator shall have the right to enforce these Terms and any of his or her or its rights hereunder, including through an agent, collective management organisation or performance rights organisation, against any buyer or subsequent buyer of any Collectible, provided that any costs and expenses arising from such enforcement shall be borne solely by the Creator or the Creator’s agent, collective management organisation or performance rights organisation, as applicable.

If you are not the first purchaser of an NFT, depending on the terms of sale of that NFT, a percentage of the sale price may be payable by you to the Creator of that NFT (“**Royalty**”). Depending on the applicable smart contract, such Royalties may or may not be executed automatically upon each sale

of the NFT. You acknowledge and agree that you are solely responsible for the payment of the applicable Royalties for each NFT to the Creator of the NFT(s) you purchase on the Minted NFT Platform. Cronos Labs will not take custody of any Royalties payable and has no responsibility to collect, receive, transfer or other process the payment of any applicable Royalties.

11. Data Protection / Privacy

By using the Minted NFT Platform, you confirm that you acknowledge you have read our Privacy Notice with regards to how we collect, use, disclose and share amongst ourselves your personal data and disclose such personal data to our authorised service providers and relevant third parties. We will only share your personal data in order to facilitate and administer your use of the Minted NFT Platform or otherwise if required by law. We as a data controller will manage and protect your personal data in accordance with all applicable privacy legislation. For full and comprehensive information about when and why we collect personal data about you, how we use it, the conditions under which we may disclose it and how we keep it secure, please refer to our Privacy Notice, which is accessible at <https://minted.network/about/privacynotice.pdf>.

We reserve the right at any time to satisfy our internal requirement as to your Personal Data (for example, by requesting relevant original documents) including for the purposes of preventing fraud and/or anti-money laundering and counter-terrorist financing purposes.

12. Limitation of Services / Termination / Account Closure

We reserve the right, without notice and in our sole discretion, to terminate or suspend your access to or use of the Site and any Content and/or close your Account, at any time for and any reason but in particular, if we suspect in our sole discretion that (i) your Account is being used for illegal activity; (ii) you have concealed or provided false information; (iii) you have engaged in fraudulent activity; and/or (iv) you have engaged in activity in violation of these Terms.

Cronos Labs reserves the right at all times to disclose any information as it deems necessary to satisfy any Applicable Law, regulation, legal process or governmental request, or to edit, refuse to post or to remove any information or materials, in whole or in part, in Cronos Labs' sole discretion.

13. Assumption of Risks

You understand and agree that your access and use of the Minted NFT Platform is subject to certain risks including without limitation:

- (i) Price and liquidity of blockchain assets, including the NFTs, are extremely volatile and may be subject to fluctuations. Fluctuations in the price of other digital assets could materially and adversely affect the NFTs. You acknowledge that you fully understand this volatility and that the value of NFTs is subjective, and that you may lose any or all value of your NFTs;
- (ii) The regulatory regime governing blockchain technologies, non-fungible tokens, cryptocurrency, and other crypto-based items is uncertain, and legislative and regulatory changes, investigations, inquiries, claims, actions, decisions or judgments may adversely affect the use, transfer, and value of the NFTs;
- (iii) NFTs are not legal tender and are not backed by any government;
- (iv) Transactions involving NFTs may be irreversible, and losses due to fraudulent or accidental transactions may not be recoverable;

- (v) The value of NFTs may be derived from the continued willingness of market participants to exchange fiat currency or digital assets for NFTs, and therefore the value of NFTs is subject to the potential for permanent or total loss of value should the market for NFTs disappear;
- (vi) A lack of use or public interest in the creation and development of distributed ecosystems could negatively impact the development of those ecosystems and related applications, and could therefore also negatively impact the potential utility of NFTs;
- (vii) NFTs are subject to the risk of fraud, counterfeiting, cyber attacks, mislabelling, metadata decay, smart contract bugs and other technological difficulties which may prevent access to or transfer or use of your NFTs;
- (viii) Cronos Labs does not control the public blockchains that you may interact with and does not control certain smart contracts and protocols that may be integral to your ability to complete transactions on these public blockchains;
- (ix) The cryptographic technologies and blockchain technologies, including tokens, cryptocurrencies, stablecoins, "smart contracts", digital wallets, consensus algorithms, voting systems and distributed, decentralised or peer-to-peer networks or systems used in offering the Minted NFT Platform are novel, experimental, and speculative, and that therefore there is significant uncertainty regarding the operation and effects and risks thereof and the application of existing law thereto;
- (x) There are risks associated with using Internet and blockchain based products, including, but not limited to, the risk associated with hardware, software, and Internet connections, the risk of malicious software introduction, and the risk that third parties may obtain unauthorised access to your third-party wallet or Account. You accept and acknowledge that Cronos Labs will not be responsible for any communication failures, disruptions, errors, distortions or delays you may experience when using the Minted NFT Platform or any blockchain network, however caused;
- (xi) To the extent that the Minted NFT Platform relies on third-party platforms and/or vendors, we bear no obligation to and may not be able to maintain a good relationship with such platform providers and/or vendors; if the terms and conditions or pricing of such platform providers and/or vendors change; if we violate or cannot comply with the terms and conditions of such platforms and/or vendors; or if any of such platforms and/or vendors loses market share or falls out of favor or is unavailable for a prolonged period of time, your access to and use of the Service will suffer; and
- (xii) Withdrawal of an NFT to a decentralised digital asset wallet is at your own risk, and the transfer for any NFT to an incorrect digital asset wallet address will result in the irreversible loss of such NFT.

You understand and agree that you are solely responsible for determining the nature, potential value, suitability and appropriateness of these risks for yourself. Cronos Labs does not give any advice or recommendations regarding the NFTs. YOU EXPRESSLY AGREE THAT YOUR ACCESS AND USE OF THE SITE, CONTENT, THE MINTED NFT PLATFORM AND/OR ANY SERVICES OR ITEMS OBTAINED FROM CRONOS LABS IS AT YOUR SOLE RISK.

14. Taxes

You agree that you are solely responsible for determining what, if any, taxes apply to your NFT transactions on the Minted NFT Platform. Neither Cronos Labs nor any other Cronos Labs affiliated entity is responsible for determining the taxes that may apply to your NFT transactions.

15. Disclaimers

Creators may engage in promotion of their respective User Content, including without limitation their Collectibles, through various communications channels such as their social media accounts. Cronos Labs is not responsible for any such communications and/or promotional activities (including, but not limited to, any Redeemable offered to first buyers) carried out by the Creators and will not be liable to you in relation to any such communications and/or promotional activities.

You bear full responsibility for verifying the identity, legitimacy, and authenticity of assets you purchase on Minted NFT Platform. Notwithstanding indicators and messages that suggest verification, Cronos Labs makes no claims about the identity, legitimacy, or authenticity of assets on the Minted NFT Platform.

TO THE FULLEST EXTENT PROVIDED BY LAW, CRONOS LABS HEREBY DISCLAIMS ALL WARRANTIES OF ANY KIND, WHETHER EXPRESS OR IMPLIED, STATUTORY, OR OTHERWISE, INCLUDING BUT NOT LIMITED TO ANY WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE AND NON-INFRINGEMENT AS TO THE SITE AND CONTENT CONTAINED THEREIN, AND ANY REDEEMABLE PROVIDED BY ANY Creator.
